

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2431/1dn
PJK:wlj:jm

September 30, 2013

Do you want to make any specific provision for the plaintiff to be able to recoup payments made for reimbursing a municipality for demolition costs? For example, if the defendant redeems the property after a building has been razed, would the payment made by the plaintiff be added to the amount that the defendant must pay to redeem the property under s. 846.13? I do not know if it would be included in the phrase "any costs subsequent to such judgment" without explicitly adding it.
